

## **INSPECTION PROGRAM**

### **IMPORTANT.**

Suggested program - The purpose of the inspection is for the Area Coordinator to visit the club during a regular meeting to do uniform inspection, verify the premises are suitable for the well-being of the club, go over any question and requirements.

### **PRIOR TO THE PROGRAM**

Club members should arrive earlier to start on time.

### **PROGRAM (15-20 minutes)**

Drill Master calls everyone to fall in

Welcome

Prayer

Flag raising – Drill team hoisting the flags

Repeat the Master Guides hymn and emblems

### **ACTIVITY (45-50 minutes.)**

Have a club activity, for example class, honor, or requirements.

### **CLUB INSPECTION (40-45 minutes)**

While the activity is running, the director and area coordinator review the club schedule and achievement record, forms registration, insurance, etc., meeting place, respond to the director questions, and discuss upcoming events.

### **UNIFORM INSPECTION (15-30 minutes)**

The Drill Master call for fall in for inspection

The coordinator will inspect the uniform, give indicative about the uniform and have a few words with the club, etc.

### **CLOSING (10 minutes)**
