## Description

Do you recognize the bible character? Our faith can be reflected in the words we say. Bible characters stood out and remained faithful until the very end. As a result, they will be rewarded in heaven. Participants will have 2 minutes to read a biblical phrase and once the whistle is blown, run to the designated lane and area for the bible character that corresponds to the biblical phrase. Participants will have 5 Velcro balls (5 chances), will aim, and throw the balls to the character, additional 5 Velcro balls can be provided only if the participant, along with a physical bible, can provide the bible citation (book, chapter, verse number) of the phrase within a time frame. Depending on the area the ball lands on/sticks to, points will be awarded and the total calculated. The participant with the highest points in each round will qualify for a prize. The goal is to recognize bible characters and learn about their faith in our God.
